

# Land of Lincoln Satin RBA Meeting Minutes 3/29/09

## Bloomington, IL

The meeting was called to order by President, Ron VanDeWalle. A motion was made by Larry Bachman and seconded by Butch Hall to approve the Secretary's report as printed in the last newsletter. Motion carried. Treasurer, Gary Mohr, reported that our current balance in the checking account is \$1,304.89 and in savings is \$2,737.44, for a total of \$4,042.33. Kris Koenig motioned to approve the Treasurer's report, seconded by Mat Teubert; motion carried.

There was no old business to discuss.

New Business:

The Open Breed Chairmen for the convention is Larry and April Bachman; Shelby Beck is the Youth Chairman.

Myron Millman has been doing an excellent job on our website and our newsletter. His efforts are greatly appreciated.

All of those members with memberships that expired 1/1/09 will be sent a letter as one final effort to remind them to renew their dues or their membership will be dropped.

Regarding the missing show reports from shows held from 7/1/09 until Donna took over as secretary were discussed. The individual that exhibited at any of those shows can send their individual reports to Donna to have them included in our sweepstakes points for 2008-2009; they must be received by Donna by 7/1/09 to be included.

Koenig's Kountry Supplies has donated a vinyl banner to our club for display at our shows.

Donna is to try to obtain bids for judges for 2011. She is to add Donyelle Schmidt's name to our list of prospective judges. She did a terrific job yesterday in judging our show. We are very thankful that she was able to fill in at the last moment for Dereck Tuntland, who unfortunately wasn't able to make it to our show due to some extenuating circumstances at work. We missed him being here and hope to have him judge a future show for us.

Larry Bachman made a motion to adjourn the meeting, Mat Teubert seconded the motion. Meeting adjourned.

Respectfully submitted,

Donna Koenig, Secretary
